**Subject:** Reponses to Post Card Controlled Correspondence

Alyse and Brad – we currently have about 18 post cards in-house as controlled correspondence like the ones here:

H:\REGION SHARE\West Lake Schedule Tracker\CMS\Fall 2014  
Postcards\Example Post Card Received.pdf

I have drafted a tentative response and would appreciate if you could go into this file and edit as you see fit. After we edit, then we should have OPA do final review.

H:\REGION SHARE\West Lake Schedule Tracker\CMS\Fall 2014  
Postcards\Response to Fall 2014 Post Cards.docx

We also have 3 Halloween Cards sent to the administrator as controlled correspondence, here is an example:

H:\REGION SHARE\West Lake Schedule Tracker\CMS\2014 Halloween Cards  
example\example Halloween card re west lake landfill..pdf

I would envision sending the same type of response.

Ben, Bob and Curtis – fyi and welcome your input any time. I would like to discuss with you about how and to whom we respond since the post cards come from individuals yet it requests responses be sent to Just Moms STL.

Thank you,

**Lynn M. Slugantz**
